

PlusOne Program Information Session

LEARN ABOUT THE
PLUSONE ACCELERATED
MASTER'S DEGREE
PROGRAM

Thursday, April 3

12:00-1:00 PM (ET)

CSC 346 (hybrid event)

Pizza provided for in-person attendees

A master's degree can provide you an additional level of expertise in an area aligned with your career goals. As a currently enrolled Bachelor of Science (BS) student in the College of Engineering at Northeastern, you have the opportunity to earn a Master of Science degree (MS) in an accelerated time period with the [PlusOne program](#). Once accepted into the program in an approved PlusOne pathway, which is a BS and MS PlusOne combination, you can earn an MS degree with, in most cases, just one extra year of study beyond your undergraduate degree program.

In this **hybrid information session**, there will be a short presentation overview of the PlusOne program, as well as a current PlusOne Student Q & A.

Refreshments will be served. Space is limited for in-person attendance.

WHAT YOU WILL LEARN:

- What is PlusOne?
- Benefits of the program
- Eligibility
- Co-op considerations
- Financial considerations
- Selecting your pathway
- Academic advising resources
- Timeline to apply
- The application process
- Course registration
- Transitioning to graduate school

SPACE IS LIMITED | REGISTRATION REQUIRED

To Register, scan the QR code or click this [LINK](#) and complete the short form. Students will need to login with an NEU email address.

If joining remotely, use this **Zoom Meeting Info**:

Topic: PlusOne Info Session
