

## Join us to learn about:

- An eight-course **graduate certificate program** with academic and participation elements
- Offers a progressive opportunity for students to complement their **technical engineering education** with **business skills**
- Personal and professional development activities like **workshops, speaker series, site visits, seminars, more!**

**Heather Cheung,**  
**Event Coordinator**

cheung.h@northeastern.edu

**Galante Program Director**  
galante@northeastern.edu
