201 Cullinane Hall

Northeastern University

Boston, MA 02115

Phone: (617)-373-8646

EDUCATION:

National Institute of Standards and Technology

Cornell University

Lafayette College

NRC Post-doctoral Researcher

Chemical Engineering

Chemical Engineering

Ph.D., 2010-2012

Ph.D., 2010

B.S., 2005

APPOINTMENTS:

Teaching Professor

Associate Teaching Professor

Assistant Teaching Professor

Adjunct Faculty

Dept. of Chemical Engineering, Northeastern University (2020 – present)

Dept. of Chemical Engineering, Northeastern University (2016 – 2020)

Dept. of Chemical Engineering, Northeastern University (2012 – 2016)

College of Professional Studies, Northeastern University (2013 – 2016)

AWARDS AND HONORS:**Societal:**

2019

Ray W. Fahien Award, American Society of Engineering Education

2018

AIChE Award for Innovation in Chemical Engineering Education

2017

AIChE 35 Under 35 Award

2017

ASEE Northeast Section 2016 Outstanding Teacher Award

Institutional:

2015, 2020

Dr. R. H. Sioui Award for Excellence in Teaching, Chem. Eng. Dept., Northeastern

2019

Honorable Mention, Dr. R. H. Sioui Award for Excellence in Teaching

2015, '16, '18, '19, '20

Omega Chi Epsilon Faculty Member of the Year Award, Chem. Eng. Dept., Northeastern

2019

Faculty Leadership Award, Northeastern student chapters of SWE, SHPE, BESS, SASE

2019

Gratitude Award, LGBTQA Resource Center, Northeastern

2017

Fostering Engineering Innovation in Education Award, College of Engineering, Northeastern

2009

National Science Foundation GK-12 Fellowship, Biochem. Eng. Dept., Cornell

2008

Best Teaching Assistant Award, Chem. Eng. Dept., Cornell

7. *Antontsev, V.*; Podyma, J.; Landherr, L.J.T. “Elastomeric Bouncy Balls - a Module to Connect Real-World Concepts and Current Engineering Research to K-12 Education.” AIChE Annual Meeting, Salt Lake City, UT, November 2015.
8. *Puzzo, C.*; *Chamberlain, C.*; Landherr, L.J.T. “Science the World: Developing Modules to Connect Real-World Concepts and Current Engineering Research to K-12 Education.” ASEE Northeast Section Conference, Boston, May 2015.

Invited/Plenary Talks

1. *Landherr, L.J.T.* “Drawn to STEM: The Integration of Visualization into Education through Comics and Animation”. Northeastern SF Bay area regional campus lecture series, October 2020.
2. *Landherr, L.J.T.* “The Integration of Visualization into Education through Comics and Animation”. Education Division Award Winner Plenary, AIChE Annual Meeting, Orlando, FL, November 2019.
3. *Landherr, L.J.T.* “Drawn To STEM: The Integration of Visualization Into Education Through Comics and Animation To Improve Learning”. G. Michael Howard Engineering Education Lectureship inaugural speaker, University of Connecticut, October 2018.
4. *Shepherd, D.** “The Activation Energy of Becoming A Professor.” Story Collider presentation, Boston, MA, December 2014.
5. *Shepherd, D.** “The Use Of Rhetoric To Obscure A Lack Of Content”. ASEE Northeast Section Conference, student banquet speaker, Boston, MA, May 2015
6. *Shepherd, D.** “The Use Of Rhetoric To Obscure A Lack Of Content”. AIChE New England Regional Student Conference, session speaker, Boston, MA, March 2015
7. *Landherr, L.J.T.* “Surviving and Crowdfunding the World: Kickstarter, Patreon, and a Webcomic Side Project.” Sherman Center For Engineering Entrepreneurship Education, Northeastern, Boston, MA, September 2014.

RESEARCH SUPPORT

Funded Grants

- Provost Grants for Advancing Teaching and Learning: “Production of Original Scientific Comics and Visual Media To Improve Education For Visual Learners” (5/2015-4/2016). PI: L.J.T. Landherr. Awarded: \$10,000.
- AIChE Foundation: “AIChE K-12 STEM Module Competition” (6/2018-12/2019). PI: L.J.T. Landherr. Awarded: \$10,000.
- AIChE Foundation: “AIChE K-12 Committee Mini-Grants” (2/2020-present). PI: Madeline Mueller, co-PI: L.J.T. Landherr. Awarded: \$2,000.

TEACHING

Courses Taught:

9 chemical engineering courses (8 undergrad, 1 grad; 7 classroom, 2 laboratory)

Conservation Principles – Sp'13, Su'15, Su'18, Su'19, Su'20

Transport Processes I – Su'18, Su'19, Su'20, F'20 (x2)

UO Lab I – F'13, F'14, F'15, Sp'16

Thermodynamics I – Su'16

Transport Processes II – Sp'16, F'16 (x2), Sp'17, F'17 (x2), Sp'18, F'18 (x2), Sp'19, F'19 (x2), Sp'20

UO Lab II – F'12 (x2), Sp'13 (x3), F'13 (x3), Sp'14 (x3), F'14 (x2), Sp'15 (x2), F'15, Sp'17

Thermodynamics II – F'12, Sp'13

Process Control – F'14, Sp'14, F'15, Sp'16, F'16, Sp'17, F'17, Sp'18, F'18, Sp'19, F'19, Sp'20, F'20

Transport Phenomena – Sp'14

3 mechanical engineering technology courses (2 classroom, 1 laboratory)

Introduction to Thermodynamics – Su'13

Application of Thermodynamics – Su'13

Heating, Ventilation, and Air Conditioning – Su'15

Teaching achievements

- Have developed lesson plans and skeleton notes for 9 courses, including experiments and projects
- Course plans/notes have been adopted and utilized by several other ChemE professors for their teaching
- Developed science comics as teaching materials for use across many multidisciplinary courses in the College of Engineering, as well as over 50 colleges and institutions nationally and internationally

ADVISING AND RESEARCH SUPERVISION

Undergraduate Students supervised for Directed Research with Duration: 11 current students, 25 previous students

Graduate Student supervised for Directed Research with Duration: 1 student

Graduate Committee Memberships: 1 student through Gordon Engineering Leadership Program

SERVICE

Discipline/Professional Society

- Regular columnist for peer-reviewed journal *Chemical Engineering Education* (May 2017 – present)
- AIChE Societal Impact Operating Council: Past Chair (2020), Chair (2019), Vice Chair (2018), member (Sept 2015-present)
 - Including authorship of the AIChE professional society Diversity, Equity and Inclusion statement
- AIChE K-12 Outreach Committee, Chair (2020), founding member (April 2017 – present)
- Founding member, AIChE Disabilities OutReach and Inclusion Community (April 2016 – present)
- Founder, AIChE K-12 STEM Module Competition (originated in 2019)
- Founder, AIChE K-12 Community (2019-present)
- Session chair or co-chair, AIChE Annual Conference (2014-2016)
- Session chair, 2015 ASEE Northeast Section Conference
- Paper reviewer, ASEE (2013-2014, 2018-2020)
- Undergraduate Poster Session judge, AIChE Annual Meeting (2013-2014)
- AIChE rep. for multi-engineering society committee forming engineering education standards (2017)
- Chair, Disability Unity Convocation, AIChE Annual Meeting (2016)
- AIChE Session chair or co-chair (2014-2016, 2018)

Northeastern University

- Northeastern University Undergraduate Commencement faculty marshall (2013-2019)

Northeastern University - College of Engineering

- Representative, College of Engineering Undergraduate Curriculum Committee (2017-2019, 2020-present)
- Representative, College of Engineering Student Awards Committee (Sept 2016 – present)

- Faculty marshal, College of Engineering Undergraduate Commencement Ceremony (2013-2019)
- Teaching Professor Merit Review Committee (member 2016, vice-chair 2018, chair 2019)
- Teaching Professor search committee (for 4 positions), Graduate Engineering Program (2017)
- Representative, College of Engineering Online Programs Committee (2020)
- Teaching Professor Promotion Committee (2019-2020)

Northeastern University - Department of Chemical Engineering

- Student Awards Committee (Chair, September 2014-August 2020; member, Sept 2012-present)
- Undergraduate Education Committee (Chair, August 2020-present; member, May 2016-present)
- Chair, Education Research Cluster (Dec 2014-present)
- Chair, Curriculum Review Committee (2018)
- Department Chair search committee (2019-2020)
- Member, Transport Cluster Education Committee (2016-present)
- Unit Operations Laboratory summer manager (2013, 2014, 2015)
- Leader, Unit Operations Laboratory faculty training (2014, 2015, 2017)
- Faculty advisor for undergraduate students (2012-present)
- Manager, Department Twitter feed (2013-2018)
