

**BIOE SEMINAR SERIES** – Fall 2024

Wednesdays, 12-1pm in 105 Shillman Hall, unless otherwise stated

## SEPTEMBER

**9/6: Sara Rouhanifard, PhD**

*Assistant Professor of Bioengineering at Northeastern University*

**9/11: Mingyang Lu, PhD**

*Assistant Professor of Bioengineering at Northeastern University*

**9/18: Joanna Dahl, PhD**

*Assistant Professor of Engineering at University of Massachusetts Boston*

**9/25: Stirling Churchman, PhD**

*Professor of Genetics at Harvard Medical School*

## OCTOBER

**10/2: Sujit Datta, PhD**

*Professor of Chemical Engineering, Bioengineering and Biophysics at California Institute of Technology*

**10/9: Yizeng Li, PhD**

*Assistant Professor of Biomedical Engineering, Binghamton University*

**10/16: Song Li, PhD**

*Chancellor's Professor and Department Chair of Bioengineering at University of California Los Angeles*

**10/23: Seemantini Nadkarni, PhD**

*Associate Professor of Dermatology at Harvard Medical School*

**10/30: None**

## NOVEMBER

**11/6: Ramkumar “Ram” Annamalai, PhD**

*Assistant Professor of Biomedical Engineering at University at Buffalo*

**11/13: None**

**11/20: Lingchong You, PhD**

*James L. Meriam Distinguished Professor of Biomedical Engineering and the Director of the Center for Quantitative Biodesign at Duke University*

**11/27: None, Thanksgiving**

## **DECEMBER**

**12/4: Jeffrey Moffit, PhD**

*Assistant Professor in Microbiology at Harvard Medical School*

**11/6: Jeffrey Fredberg, PhD, \*Friday\***

*Professor of Bioengineering and Physiology at Harvard School for Public Health*
