

Bioengineering Fall Seminar Series Schedule – 2025

Wednesdays, 12-1pm in 168 Snell Engineering
or Fridays, 12-1pm in 010 Behrakis

SEPTEMBER

9/3: Mona Minkara, PhD

Assistant Professor of Bioengineering, Northeastern University

Friday, 9/5: Abbas Yaseen, PhD

Assistant Professor of Bioengineering, Northeastern University

9/10: Qianqian Fang, PhD

Associate Professor of Bioengineering, Northeastern University

Friday, 9/12: Ambika Bajpayee, PhD

Associate Professor of Bioengineering, Northeastern University

9/17: [Silvi Rouskin](#), PhD

Assistant Professor of Microbiology, Harvard University

9/24: [Nisha Iyer](#), PhD

Assistant Professor of Biomedical Engineering, Tufts University

Friday, 9/26: [George Engelmayer](#), PhD

Industry: *Founder and CEO, Cultivated Biomaterials & Vasavance*

OCTOBER

10/1: [Joe Larkin](#), PhD

Assistant Professor of Biology and Physics, Boston University

10/8: None, WIP

10/15: None

10/22: None

10/29: [Sufeng Zhang](#), PhD

Assistant Professor of Biomedical Engineering, Stony Brook

NOVEMBER

11/5: [Larry Bonassar](#), PhD

Professor in Biomedical Engineering, Cornell University

11/12: None

11/19: [Marjan Rafat](#), PhD

*Collab with ChemE: Assistant Professor of Chemical and Biomolecular Engineering,
Vanderbilt University*

11/26: *Thanksgiving*

DECEMBER

12/3: [Hadi Nia](#), PhD

Assistant Professor of Biomedical Engineering, Boston University

12/10: Erel Levine, PhD

Associate Professor of Bioengineering, Northeastern University
