Program Information

Purpose: To enable COE faculty to better support our PhD students, the Bridge Funding Program provides PhD students with stipend, fringe benefit, and tuition coverage.

Selection Committee: COE Research Affairs Committee serves as the Selection Committee.

Selection Criteria:

1. The (primary) faculty advisor must have at least 50% appointment in COE and the RA must be a COE PhD student.
2. Faculty advisor must clearly show exhaustion of all their financial resources to support a PhD RA at the time of the Bridge Funding application or expected exhaustion of financial resources within six months of the Bridge application deadline.
3. Higher priority is given to PhD students whose advisor has a demonstrated track record of supporting more RAs through external sponsorships.
4. Higher priority is given to PhD students whose advisor presents a comprehensive plan for securing additional funds for RA support in the near future.
5. Higher priority is given to senior/established PhD students.
