

College of Engineering
Interdisciplinary Engineering PhD Program
Preliminary Study Plan

Thank you for your interest in the Northeastern College of Engineering Interdisciplinary PhD Program. As part of the admission process, please complete the brief preliminary study plan (non-binding) to the best of your ability. If admitted, a completed approved Interdisciplinary Program Plan must be submitted your academic advisor by the end of your first year.

- 1. List the proposed primary COE Department***

- 2. List the primary PhD advisor and possible co-advisors and committee members (if known)***

- 3. Briefly state the topic of proposed research and the rationale for an Interdisciplinary Engineering PhD Program***

- 4. What coursework will support the Interdisciplinary PhD? List coursework areas or any specific courses (if known)***

- 5. Where will research be performed?***
