Total Credits: \_\_\_\_\_

**Completion Checklist:**

- The plan of study meets the minimum credit hour requirements of my MS program as outlined in the [academic catalog](#).
- All courses are listed in the academic terms I plan to register for those courses.
- I have included the total credit hours for each course listed on the plan of study.
- Courses are listed as fulfilling a core requirement or an elective requirement.
- I understand full-time graduate student status is 8 credit hours per academic term.
- I understand that if I pursue a certificate as a graduate student, I cannot course share between my undergraduate, graduate and certificate program. For more information, please review the [certificate policy](#).

**By signing this document, I acknowledge that I am responsible for ensuring I have met all credit requirements for my PlusOne program, including course and credit requirements, and that I have worked with my undergraduate advisor to ensure my course plan is appropriate for my BS program as well.**
