Summer 2021 Course Registration Information for MS Data Analytics Engineering

Congratulations on your acceptance to the MS Data Analytics Engineering program at Northeastern University! At this time, we suggest that you register for Summer 2021 courses. Before registering, please make sure to read the instructions at the following link:

https://registrar.northeastern.edu/article/new-registration-experience/

**Enrollment Confirmation:** It is critical that you confirm your enrollment at Northeastern University by logging into your application account and paying the enrollment deposit. *You will not be able to register for classes until you confirm your enrollment.*

**Setting up your myNortheastern account:** After you confirm enrollment, you will be able to utilize your myNortheastern portal. If you have not yet set up this account, then log in to your electronic application and look for instructions at this link:

https://app.applyyourself.com/AYApplicantLogin/fl_ApplicantConnectLogin.asp?id=neu-grad

**Summer 2021 courses are available to view at the following link:**

https://wl11gp.neu.edu/udcprod8/bwlkffcs.p_disp_dyn_sched

When searching for courses at the above link, please make sure to select “**Summer 1 2021 Semester, Summer 2 2021 Semester, or Full Summer 2021**” from the term menu. Then, select the appropriate subject code (see examples below) from the subject menu. You can select a single code or multiple codes in the same search as necessary. You can use advanced search features to narrow down the scope of the search results.

Example subject codes:

IE - Industrial Engineering  
INFO - Information Systems  
OR - Operations Research  
ME - Mechanical Engineering  
CIVE - Civil Engineering  
CS - Computer Science  
DAMG - Data Architecture and Management  
DS - Data Science  
EECE - Electrical and Computer Engineering  
EMGT - Engineering Management
MATH - Mathematics
NETS - Network Science
MEIE – Mechanical and Industrial Engineering

Course Registration: We advise full-time students to register for two courses and part-time students to register for at least one course. However, due to the pandemic these guidelines may be altered. Full-time or Part-time students in the Boston area can register for NU-flex courses by taking the courses at Northeastern or synchronously online (V30). If students are not in the area they can register for NU-flex courses or online courses that are not synchronous (V35). Please note that you can choose to register for any combination of your required core courses or elective during your first semester. For example, in your first term: you can either choose to take only required courses, only elective courses, or one required course and one elective course.

We highly recommend exploring the MS Thesis or MS Project track for your degree program as well. However, at this time, we suggest that you do not register for MS Thesis or MS Project because you must discuss and seek the approval of your Faculty Advisor before you register for these courses.

Courses Recommended by the Data Analytics Engineering Faculty Advisor: You can choose to register for courses listed in your approved curriculum, which you can access at the following link. http://catalog.northeastern.edu/graduate/engineering/mechanical-industrial/data-analytics-engineering-ms/#programrequirementsttext

The following are the summer courses available for the data analytics engineering program as recommended by your faculty advisor.

<table>
<thead>
<tr>
<th>Year 1</th>
<th>Courses available for Summer Entry</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td>Summer 1: IE 6200 (online), OR 6205 (online), IE 5374 (NU-flex for Seattle students)</td>
</tr>
<tr>
<td></td>
<td>Summer 2: IE 6200 (NU-flex)</td>
</tr>
<tr>
<td></td>
<td>Full Summer: IE 6200 (NU-flex), OR 6205 (NU-flex)</td>
</tr>
</tbody>
</table>

You will plan for your courses in the subsequent semesters in consultation with your faculty advisor.

Plan of Study: Students may complete a Plan of Study by meeting with their Faculty Advisor during their first semester. Plan of Study can accessed at the following link: http://www.mie.neu.edu/sites/default/files/pdfs/mie/MIEPlanOfStudy.pdf
Frequently Asked Questions

Do I need to attend both the Graduate School of Engineering General Orientation and Program/Department-Specific Orientation? What is the difference between these two orientations?

We strongly recommend that you attend both. These are two entirely different orientations and will provide you with information you need in order to succeed. These sessions provide an opportunity not only to get your questions answered but also to meet with your academic and co-op advisors.

What if I was admitted as a Provisional or Conditional Student?

If page 2 of your Admission Letter states that you must fulfill additional requirements (such as “REQUIREMENTS: Student must take a course in Multivariate Calculus and a course in Linear Algebra before she/he is granted Regular Student status,” then you must meet with your Faculty Advisor as soon as possible after orientation to determine your Plan of Study.

What if my course is full?

Enrollments are always shifting as students are allowed to change their registration. If a seat isn’t available in your preferred class right away, you can join the waitlist. To join a waitlist, enter the CRN (the 5 numbers in parentheses next to the course number) directly into your registration sheet and hit submit. You will then have an option to select “waitlist” from a drop down-menu. The waitlist system will automatically inform you when a seat opens up. When a seat opens up, you need to just log into your account and accept it within the 24-hour time limit.

Will I get a bill by registering for courses?

Your first e-bill is generated when you register for your courses. You will receive an e-bill from the university with instructions on how to pay it. If you have questions about billing or payment, then please contact the Student Financial Services Office at studentaccounts@northeastern.edu. Please do not contact faculty members or the registrar’s office regarding billing or payment.

What if I have questions regarding choosing courses or course registration?

You will have the opportunity to meet with your Faculty Advisor, a Co-op Advisor, and an Academic Advisor during your department orientation. Please wait until you have attended the department orientation to get these questions answered.

We wish you all the best and look forward to working with you.

Sincerely,

Graduate School of Engineering
Northeastern University
360 Huntington Avenue Boston, MA 02115
