FALL 2024 COURSE REGISTRATION INFORMATION FOR MS HUMAN FACTORS

Congratulations on your acceptance to the MS Human Factors program at Northeastern University! At this time, we suggest that you register for Fall 2024 courses. Before registering, please make sure to attend the orientation and read the instructions at the following link:

https://registrar.northeastern.edu/article/new-registration-experience/

Enrollment Confirmation: Please make sure to confirm your enrollment at Northeastern University by logging into your application account and paying the enrollment deposit. You will not be able to register for classes until you confirm your enrollment.

Setting up your Northeastern account: After you confirm enrollment, you will be able to utilize your Student Hub portal. If you have not yet set up this account, then please log in to your electronic application and look for instructions at this link:

https://enroll.northeastern.edu/apply/

Fall 2024 courses are available to view at the following link:

https://nubanner.neu.edu/StudentRegistrationSsb/ssb/term/termSelection?mode=search#_ga=2.35966053.450569817.1598890547-1770687099.1597946638

When searching for courses at the above link, please make sure to select “Fall 2024 Semester” for the term. Then, enter the appropriate subject code (see examples below), followed by selecting “Graduate” for course level.

Example subject codes:

IE - Industrial Engineering
OR - Operations Research
CIVE – Civil Engineering
PSYC – Psychology
PT – Physical Therapy
EXSC – Exercise Science
CS – Computer Science
ARTG – Art – Design
GSND – Game Science & Design
EMGT - Engineering Management

Course Registration: We advise full-time students to register for two courses and part-time students to register for at least one course. Please note that you can choose to register for any combination of your required core courses or elective during your first semester. For example, in
your first term: you can either choose to take only required courses, only elective courses, or one required course and one elective course.

You will have the opportunity to meet with your Faculty Advisor during your program orientation. Please plan to meet with your Faculty Advisor after attending orientation to discuss your course selection for the first semester. Please note that you will be able to change your course registration (add or drop courses) using the online system during the first two weeks of the semester. Please do not register for MS Thesis or MS Project at this time because these courses must be approved by your Faculty Advisor before registration.

Courses Recommended by the Human Factors Faculty Advisor: You can choose to register for courses listed in your approved curriculum. Please click to see your curriculum below:

http://catalog.northeastern.edu/graduate/engineering/mechanical-industrial/human-factors-mshf/

The following is a 2-year course plan for your program suggested by the Faculty Advisor. Deviation from this plan is accepted upon consultation with your advisor.

**Fall Entry:**

Year 1, Fall: IE 7315 Human Factors Engineering (CRN 14590 (Online)), and/or IE 6200 (CRN 11280, 11922, 14875, 15029, 16370, 21518, 11469 (Online))
Year 1, Summer: IE 6500 Human Performance, and/or IE 7280
Year 1, Fall: IE 5630 (Online), and/or Elective
Year 2, Fall: Elective and/or Elective and/or IE 7990 or IE 7945
Year 2, Summer: Elective and/or Elective and/or IE 7990 or IE 7945

**Frequently Asked Questions**

Do I need to attend the Graduate School of Engineering General Orientation session and the Program/Department-Specific Orientation session? What is the difference between these two orientations?

Please make sure to attend both. These are two entirely different orientations and will provide you with information you need in order to do well. These sessions provide an opportunity to not only get your questions answered, but also, to meet with your academic and co-op advisors.

What if I was admitted as a Provisional or Conditional Student?

If page 2 of your Admission Letter states that you must fulfill additional requirements (such as “REQUIREMENTS: Student must take a course in Multivariate Calculus and a course in Linear Algebra before she/he is granted Regular Student status,” then you must meet with your Faculty Advisor as soon as possible after orientation to determine your Plan of Study.

What if my course is full?
Enrollments are always shifting as students get change their registration. If a seat is not available in your preferred class right away, you can join the waitlist. To join a waitlist, enter the CRN (the 5 numbers in parentheses next to the course number) directly into your registration sheet and hit submit. You will then have an option to select “waitlist” from a drop down-menu. The waitlist system will automatically inform you when a seat opens. When a seat opens, you need to just log into your account and accept it within the 24-hour time limit.

Will I get a bill by registering for courses?
Your first e-bill is generated when you register for your courses. You will receive an e-bill from the university with instructions on how to pay it. If you have questions about billing or payment, then please contact the Student Financial Services Office. All questions or concerns should be submitted using the [Student Financial Services Inquiry Form](#). Please do not contact faculty members or the registrar’s office regarding billing or payment.

What if I have questions regarding choosing courses or course registration?
You will have the opportunity to meet with your Faculty Advisor, a Co-op Advisor, and an Academic Advisor during your department orientation. Please wait until you have attended the department orientation to get these questions answered.

We wish you all the best and look forward to working with you.

Sincerely,

Graduate School of Engineering
